OFFER SUMMARY - SILO CASH ADVANCE

Funding Provided	\$692,267.68	This is how much funding Silo will provide.
Estimated Annual Percentage Rate (APR)	0.00%	APR is the estimated cost of your financing expressed as a yearly rate. APR incorporates the amount and timing of the funding you receive, fees you pay, and the periodic payments you make. This calculation is based on our estimate of your average monthly income through future receivables. Since your actual income may vary from our estimate, your effective APR may also vary. APR is not an interest rate. The cost of this financing is based upon fees charged by Silo rather than interest that accrues over time.
Finance Charge	\$26,306.17	This is the dollar cost of your funding. Your finance charge will not increase if you take longer to pay off what you owe.
Estimated Total Payment Amount	\$718,573.85	This is the total dollar amount of payments we estimate you will make under the contract.
Estimated Monthly Cost	Month 1: \$0 / month Months 2-6: \$130,649.79 / month	Although you do not make payments on a monthly basis, this is our calculation of your average monthly cost based upon the payment amounts disclosed below.
Estimated Payment	Weeks 1-4: \$0 / Week Weeks 5-26: \$32,662.45 / Week	
Payment Terms	Starting in the second month, your account will be debited for \$32,662.45 of your gross receipts each week, according to the established repayment schedule, until the Total Payment Amount is paid.	
Estimated Term	180 Days	This is our estimate of how long it will take to collect amounts due to us under the contract based upon your estimated monthly income of.
Prepayment	<p>If you pay off the funding faster than required, you still must pay all or a portion of the finance charge, up to the total repayment amount based upon our estimates.</p> <p>If you pay off the financing faster than required, you will not be required to pay additional fees.</p>

OFFER SUMMARY - SILO CASH ADVANCE

Funding Provided	\$721,328.76	This is how much funding Silo will provide.
Estimated Annual Percentage Rate (APR)	0.00%	APR is the estimated cost of your financing expressed as a yearly rate. APR incorporates the amount and timing of the funding you receive, fees you pay, and the periodic payments you make. This calculation is based on our estimate of your average monthly income through future receivables. Since your actual income may vary from our estimate, your effective APR may also vary. APR is not an interest rate. The cost of this financing is based upon fees charged by Silo rather than interest that accrues over time.
Finance Charge	\$27,410.49	This is the dollar cost of your funding. Your finance charge will not increase if you take longer to pay off what you owe.
Estimated Total Payment Amount	\$748,739.25	This is the total dollar amount of payments we estimate you will make under the contract.
Estimated Monthly Cost	Month 1: \$0 / month Months 2-6: \$136,134.41 / month	Although you do not make payments on a monthly basis, this is our calculation of your average monthly cost based upon the payment amounts disclosed below.
Estimated Payment	Weeks 1-4: \$0 / Week Weeks 5-26: \$34,033.60 / Week	
Payment Terms	Starting in the second month, your account will be debited for \$34,033.60 of your gross receipts each week, according to the established repayment schedule, until the Total Payment Amount is paid.	
Estimated Term	180 Days	This is our estimate of how long it will take to collect amounts due to us under the contract based upon your estimated monthly income of.
Prepayment	If you pay off the funding faster than required, you still must pay all or a portion of the finance charge, up to the total repayment amount based upon our estimates. If you pay off the financing faster than required, you will not be required to pay additional fees.
